

PROGRAM

Workshop on social and economic networks

June 1-2, 2023

Venue: AMU-AMSE, 5 boulevard Maurice Bourdet, 13001 Marseille - Amphitheater

Thursday 1 June

13.00 Welcoming coffee [Lobby - ground floor]

13.30-15.00 Session 1

13.30 **Yves Zenou**, Monash University

Affective Polarization, Social Learning, and Opinion Dynamics

14.00 **Alastair Langtry**, University of Cambridge

More friends, less community: social capital provision and enforcement

14.30 **Dunia López-Pintado**, University Pablo de Olavide

Popularity and Tolerance in Networks (joint with Miguel A. Meléndez-Jiménez)

15.00 Coffee break [Lobby - ground floor]

15.30 -17.00 Session 2

15.30 **Evan Sadler**, Columbia University

Making a Swap: Network Formation with Increasing Marginal Costs

16.00 **Nizar Allouch**, University of Kent

Aggregation in networks

16.30 **Sebastian Bervoets**, AMSE

Pre-Convergence Behavior and Quasi-Stationary Distributions. Framework and Three Applications

17.00 Coffee break [Lobby - ground floor]

17.30 -18.30 Session 3

17.30 **Marie Laclau**, HEC Paris

Communication on networks and strong reliability (joint with Ludovic Renou and Xavier Venel)

18.00 **Yann Bramoullé**, AMSE

Status Consumption in Networks : a Reference-Dependent Approach (joint with Christian Ghiglino)

19.30 Dinner

CNTL, restaurant "O2Pointus", 44 Quai Marcel Pagnol, 13007 Marseille

Friday 2 June

8.30 Welcoming coffee [Lobby - ground floor]

9.00-10.30 Session 4

9.00 **Sanjeev Goyal**, NYU Abu Dhabi, University of Cambridge
Games on networks - an experiment

9.30 **Peter Bayer**, TSE
Evolutionary Stable Networks

10.00 **Norma Olaizola**, Universidad del País Vasco
Efficient networks in connections models with heterogeneous nodes and links

10.30 Coffee break [Lobby - ground floor]

11.00-12.00 Session 5

11.00 **Francis Bloch**, PSE
A game of hide and seek with network exploration (joint with B Dutta and M Dziubinski)

11.30 **Kaivan Munshi**, Yale University
Entrepreneurship in China's Structural Transitions: Network Expansion and Overhang (joint with Ruochen Dai, Dilip Mookherjee and Xiaobo Zhang)

12.00 Coffee break [Lobby - ground floor]

12.30-13.30 Session 6

12.30 **Noemí Navarro**, Université de Rennes 1
Wage dispersion with identical agents: The role of workers' social networks (joint with Samuel Danthine)

13.00 **Frédéric Deroïan**, AMSE
Do people share opportunities? (joint with Mohamed Belhaj and Mathieu Faure)

13.30 Lunch [Lobby - ground floor]
