

Internal workshop on the Economics of Networks

March 17, 2020

Aix-Marseille Université - AMSE, 5 boulevard Bourdet, 13001 Marseille > Room 23
Workshop sponsored by ANR MaRiNe (Managing Risk on Network)

9.00-9.15 Welcoming coffee

9.15-10.15 Session 1

Frédéric Deroïan, CNRS, AMSE

Targeting through linear payment schemes in networks, with S. Safi

Yann Bramoullé, CNRS, AMSE

Binary outcomes and linear interactions, with V. Boucher

10.15-10.30 Coffee break

10.30-11.30 Session 2

Habiba Djebbari, Aix-Marseille University, AMSE

Network-promotion of mobile banking: evidence on the role of information and trust, with M. Agurto and J. Torres

Christophe Muller, Aix-Marseille University, AMSE

Two new survey datasets on social networks

11.30-11.45 Coffee break

11.45-12.45 Session 3

Jernej Copic, Aix-Marseille University, AMSE

TBA - A talk about constrained efficient allocation of goods within a group of individuals under dominant strategies

Sebastian Bervoets, CNRS, AMSE

Long-run disagreement before consensus, with M. Faure

12.45-13.30 Lunch

> Lobby

13.30-14.30 Session 4

Tizié Bene, Aix-Marseille University, AMSE

Formal insurance and altruism networks, with Y. Bramoullé and F. Deroïan

Renaud Bourlès, Centrale Marseille, AMSE

Prudential Regulation in Financial Networks, with M. Belhaj and F. Deroïan
