

## Postdoctoral Fellowships: Aix-Marseille School of Economics

The Aix Marseille School of Economics (AMSE, <https://www.amse-aixmarseille.fr/en>) is inviting applications for four postdoctoral fellowships in economics.

Applicants are expected to show outstanding commitment to research and must have obtained their PhD when taking up the position

Three positions are for three years, subject to a successful mid-term review, and for these positions all fields of Economics and Econometrics will be considered. The starting date is September 1<sup>st</sup> 2022.

For the fourth position, will be considered candidates working in Macroeconomics and Monetary Economics, for 24 months with a possible one-year extension. The postdoctoral fellow is expected to participate to the ANR project (Financial fragmentation and inequalities in the Eurozone - FFIE) and to co-author with the members team. The fellow is not expected to teach. Experience in macroeconomic theory, monetary theory and DSGE models, and knowledge of HANK models would be a strong asset. The starting Date is September 1<sup>st</sup> 2022 but it is flexible (an earlier date is possible).

The Aix-Marseille School of economics provides a high quality research environment and provides fellows with appropriate research funds. Knowledge of French is NOT required. Post-doctoral fellows will be located either in Marseille or in Aix-en-Provence.

The deadline for application is February 6<sup>th</sup> 2022. Applications should be made through the site <https://econjjobmarket.org/>.

Interviews will take place on March 4<sup>th</sup> 2022
