ACADEMIC EXPERIENCE

Research Assistant - Internship

Mai 2020 - July 2020

Aix Marseille School of Economics, Marseille, France

- I have written a literature review on habitat considerations in fisheries management.

Research Assistant

September 2016 - Present

- Since the last 4 years, I have been working on the creation of a study with the aim of trying to model the opinion of economists according to several determinants. The creation and management of the database was done and the processing of the database is done on R. This work is done under the supervision of one of my professors: Jean-Charles Bricongne.
