PROJECTS

- **Bussola (2020)**: a series of video-interviews to Poliferie associates addressed to high-school's students in their last year, especially to the ones from weaker socio-economic backgrounds, to provide them with information on university's life and opportunities after diploma, with the aim of reducing the informational gap among students and increasing social mobility. Videos have been posted on Poliferie's social media channels, mostly on Instagram.

SKILLS

- **Languages:** English (fluent), Italian (native), French (fluent), Spanish (intermediate)
- **Software:** R, Stata, Python, GeoDa, TalTac2, L^AT_EX

ADDITIONAL INFORMATION

- Passionate about writing, either novels, poems or news articles. I participated to local writing competitions and I collaborated with university and local reviews.
- Representative for my institution and my peers at the Student Provincial Council during my high school years (2007-2012).
- In the past, I attended public speaking courses, thanks to which I have developed high communication skills that, combined with my empathy, allow me to easily bound with people.
- Passionate about politics, avid book reader and music explorer. I love travelling and randomly walking in new cities. A curious and independent soul, while enjoying sharing my free-time. I go running and I practice yoga to stay healthy.
- Awarded as finalist in maths competitions at national and regional level during the years 2010-2012 (Giochi di Archimede, Olimpiadi Nazionali della Matematica, Giochi di Eulero); awarded first for piano regional competition (2006). Recently switched to classical guitar.
